My computer keeps disconnecting and then re-connecting. Very strange.

That would be great. Could you scan it in and email it. I could then take a look and see if that's what I was thinking of. Not sure if we have a more recent on than 2011 but if not, it may have to do. Thanks, Libby

I wasn't sure what you were looking for yesterday, but I do have a warning letter that was sent out by the Coalition in the files dated 11/22/2011. I can make an electronic copy if needed.

Best regards,

## Ex. 5 - Deliberative Process

If we could get something drafted by 2:00 on Monday that should give Martin and Sandy time to look it over before we meet. If someone has a conflict with the meeting invite that was sent out by Noah for Tuesday at 10:00 let us know so we can be sure to cover anything.

Thanks, Libby
